Report on One Day National Workshop of "Startup and Entrepreneurship on occasion of World Entrepreneur's Day "

Title: Startup and Entrepreneurship on occasion of World Entrepreneur's Day

Date: 24th August, 2022

Time: 10:30 am to 4:00 pm

Venue: Saraswati Institute of Technology

Subject Expert: Dr. Kartik Nagarajan

Participants: Second/Third Year Students

Civil Engineering department organized an expert lecture of Dr.KartikNagarjan on 24th August, 2022 from 10:30 am to 4:00 pm for students for understanding the importance of Startup and Entrepreneurship. During interaction with the students, he shared various concepts Do's and Dont's while starting the business , new techniques, creativity. Mr.Kartik sir has given the brief knowledge of design thinking approach towards space science, remote sensing and GIS(a road towards innovation). As per discussion with the students, the program was interesting and they were fulfilled by doing practical's during workshop. The program was appreciated by most of the students and requested to arrange such kind of lectures in the future too for other subjects.

We thankful to Dr.Kartik- Nagarajan sir for spending his valuable time with us and sharing knowledge. More than 120 students from Civil department benefited from this lecture.
